Defendant.)

THIS MATTER is before the Court on <u>pro se</u> Plaintiff's "Motion to Compel" (document #27) as well as the parties' briefs and exhibits.

Plaintiff seeks an order compelling Defendant to further supplement its responses to his written discovery requests. Plaintiff represents:

The answers provided to the Interrogatories are inadequate, the phone logs requested in the Plaintiff's Request for Production are heavily redacted to the point of being inadequate, requests for emails concerning the matter at hand were also not provided, and in full, the Defendant has failed to adequately respond to the Plaintiff's First Set of Interrogatories and Production.

SO ORDERED.
